Representing thousands of union carpenters and millwrights in 13 Local Unions who work and live in Alabama, Georgia, Mississippi, North Carolina, South Carolina, and the Florida Panhandle

The Southeastern Carpenters Regional Council (SECRC) and Carpenters Local 283's policy is to support **ANY** candidate who supports Carpenter family issues. This policy has yielded positive results supporting both Republicans and Democrats; continues today and is reflective of our members. The SECRC and Carpenters Local 283 participated in candidate interviews in the upcoming Primary elections. These candidates support workers' rights, agree with us on addressing TAX FRAUD through MISCLASSIFICATION OF WORKERS, and support certified, registered apprenticeship language in future public capital projects. The candidates below would best represent Carpenter issues in the **Tuesday, May 21, 2024 Primary Elections.**
